Notes						
<p>The pages of the book block were not trimmed. Spoken text was entered on full pages on the music paper as well (see e.g. f. 14, 20', 29–31').</p> <p>P3 appears with variants, including <a href="#">P3A_var1</a> (e.g. f. 16). F. 61, which features P3 with an already open prong on the left star, might be an antecedent to <a href="#">P3A_var1</a>. Further small deformations can be found in the left star of P3A (e.g. f. 39) and the right thorn of P3B (e.g. f. 23).</p>
